

Bui Dys Tin

T: +1 437 255 1305 | E: buidystin@gmail.com | Toronto, Canada

PERSONAL SUMMARY

My skills and interests include UI/UX (web and IOS/Android apps), graphic design, and high-fidelity prototyping. In my work, I use my own design system to create consistent, professional, and clear design solutions for apps and websites, adapt them for various types of devices, and provide a top-notch user experience.
